Are you eligible for both Medicaid and Original Medicare (Parts A and B)?

If so, you may qualify for a plan that offers more benefits than Original Medicare. These benefits may include low or no copays, a large provider network, dental coverage, vision coverage, transportation assistance, and more! As a licensed insurance agent, I can explain your options and help you find a plan that meets your needs. I offer these services at no cost, and will take the time to ensure that that you feel confident in whatever health insurance decision you choose to make.
